

2019 PARTNERSHIP OVERVIEW

WHAT IS BE RICH

Be Rich is an annual generosity campaign started by North Point Ministries (NPM) that mobilizes the church to extraordinary generosity and selfless service. The name is inspired by 1 Timothy 6:17–18: “Command those who are rich in this present world . . . to do good, to **be rich** in good deeds, and to be generous and willing to share.” We believe the church should be known for its compassion and generosity, and the generosity of our churches through Be Rich has accomplished that more than anything else we do.

HISTORY

The idea for a church-wide generosity initiative surfaced in 2007 after NPM senior pastor, Andy Stanley, delivered a message series titled How to Be Rich. From the start of the initiative, attendees have served in our communities and have given to local and global needs. Here are the results from the last five years.

	2014	2015	2016	2017	2018
Give	\$4,430,211	\$5,241,897	\$5,754,385	\$6,194,267	\$7,391,757

CALL-TO-ACTION CALENDAR

Each week of the campaign is dedicated to a call-to-action, a specific way we ask our attendees to be rich toward others.

- November 2–3 - **Give** financially.
Make a financial donation to help our Be Rich nonprofit partners.
- November 9–10 - **Serve** a nonprofit.
Give your time to a nonprofit in your community.
- November 16–17 - **Love** your neighbor.
Be generous by doing something thoughtful for someone.
