

2022 PARTNERSHIP OVERVIEW

WHAT IS BE RICH?

Be Rich is an annual generosity campaign started by North Point Ministries (NPM) that mobilizes the church to extraordinary generosity and selfless service. The name is inspired by 1 Timothy 6:17–18: “Command those who are rich in this present world... to do good, to be rich in good deeds, and to be generous and willing to share.” We believe the church should be known for its compassion and generosity, and our attendees’ engagement with Be Rich has accomplished that more than anything else we do.

HISTORY

The idea for a church-wide generosity initiative surfaced in 2007 after NPM senior pastor, Andy Stanley, delivered a message series called *How to Be Rich*. From the start of the initiative, attendees have served in our communities and given to local and global needs. Here are the results from the last six years.

NPM CALL-TO-ACTION CALENDAR

Each week of the campaign is dedicated to a call to action, a specific way we ask our attendees to be rich toward others.

- October 15–16: Give financially. Make a financial donation to help our Be Rich nonprofit partners.
- October 22–23: Serve a nonprofit. Engage with a nonprofit in your community.
